

Our Uniform and Dress Code

The Uniform Policy adopted by the Smithton High School Association on school dress code allows schools to make the wearing of a school uniform a requirement. It has been found that the wearing of school uniform brings with it many benefits such as the promotion of the school's public image; an enhanced school spirit; an increase in convenience and cost-saving for parents and preparation for work environments which have dress and safety codes. Our school believes that the wearing of our school uniforms contributes to our schools code of conduct, presents a good image for the school and easily identifies our students and our school. Wearing of our uniform helps promote school pride and school expectations.
