

# School Expectations

Our school has developed and adopted several policies that guide our practices to make our school environment enjoyable for all.

Our School Policies and Routines are designed to let students and parents understand the importance of a structured process. At Smithton High School we believe these policies and routines are critical for the smooth day to day operation of our school.

Our school community believes students and teachers, together with parents have certain rights and responsibilities. We ask our students to cooperate and to accept responsibility for their learning conduct.

At Smithton High School:

All Staff and Students have the right to be free from fear;
